

# Help needed for the The Greville Firework Display Sat 3<sup>rd</sup> Nov

The Greville PTA are planning a firework display at school on the 3rd November; gates opening at 5.30pm, display at 6.15pm.

In order to go ahead with this event we need the following helpers:-

- At least 15 stewards to organise the spectators
- At least 8 people willing to cook sausages, bring them and help distribute them prior to the firework display (tickets will be inclusive of a hot dog)
- 12 or so people willing to join a clearing up party on Sunday morning
- We could also do with one more person on the firing party if anyone would like to join it

We would like to sell tickets soon, but cannot go ahead without this help in place.

**Please let us know if you can volunteer for any of the above by close of Friday 12<sup>th</sup> October.**
