

The 2008 Greville School Calendar

The 2008 Greville School calendars are being published and produced by the PTA again this year. The style and quality is similar to previous years. Each child has produced a self portrait and these have been collated for the calendar artwork. All children are represented on the month of their birthday and school staff on a 2008 year planner.

The calendar is A4 size, printed in black on high quality (160g/m²) pale ivory card, with royal blue plastic comb binder for easy turning. It has all the school dates and public holidays and room for you to write on your own important dates.

The cost per calendar is £4.50 and they will make great gifts for relatives & friends.

If you would like to place an order please complete and return the slip below and put in the PTA box by the school office.

A sample calendar is available to see in the school office (this may not have correct children's artwork yet as this is still being developed). Calendars will be produced and distributed outside school on Tuesday 4th December at drop off or via class reps after this. If you place an order and have not received it by 7th Dec please contact us as it could be lying in a child's tray in school!. If you need a calendar early for posting abroad please make a note on your form and we will fulfil these orders first.

We would appreciate orders in by the end of November.
